Napoleon's Europe

The Arms and Armies of the Napoleonic Wars

Napoleon's Europe by First Legion is a highly collectible 54mm toy soldier range allowing YOU to recreate the Napoleonic Wars in tremendous scope and exacting detail. Featured here, our introductory release...

Hand Painted Standards!

Hand Painted Standards!

Bavaria

As an introduction to our company, we bring you Napoleon's Bavarian Allies in uniforms of 1808-1813. Figures NAP0001-NAP0018 are perfect for the 1809 Campaign in Austria, the 1812 Campaign in Russia, and the 1813 War of German Liberation. Superbly sculpted and hand painted, yet surprisingly affordable, these highly collectible limited edition figures will set a new standard in Napoleonic toy soldiers. Featuring 18 figures sold separately and painted as the 2nd Kronprinz and the 10th Junkers Line Infantry Regiments. Included in the release are a Sapper, an Officer, a Standard Bearer, a Fusilier Firing, 2 Grenadiers Loading, a Drummer Boy, an NCO Sergeant, and a skirmishing Shutzen armed with a short rifle. Supplies are limited, so order yours TODAY! **Infantry, including Officers, Drummers & Sappers \$34.95 Standard Bearers \$49.95**

All orders are processed next business day and ship out from our United States warehouse. Order via phone, fax, email, or online!!!

*** First Legion Toy Soldiers are adult collectible products containing tin, lead, and other metals and are not suitable for children. ***
