40mm Napoleonic Wars

Introducing an exciting new range of historical miniatures from an exciting new company, inspired by the Battle of Borodino and featuring the Grande Armée from 1806-1813 and struggles of Napoleon's Invasion of Russia in 1812 and the Liberation of Germany in 1813. 1809-1815 and subsequent releases will include Austrians, Prussians, the Grand Duchy of

40mm Napoleonic Wars from First Legion Ltd. Our initial releases are Imperial Russia from 1812-1815 showing YOU to recreate the Battle. The range is planned to cover nearly every battle and campaign from Warsaw, the Confederation of the Rhine, and much more!!!!
